Mr Staffan Söderberg is appointed head of Share-A-space® Partner Business Development

In response to the increased interest in Share-A-space® based PLM solutions, Eurostep strengthens support to its Business Partners.

Effective April 1st 2008, Mr Staffan Söderberg is appointed head of Share-A-space® Partner Business Development. Mr Söderberg will be working with supporting Share-A-space® business partners in their selling and implementation of Share-A-space® based solutions. Mr Staffan Söderberg has a background as Account Manager for a major Share-A-space® customer. In addition, he has worked with implementing Share-A-space® based solutions and delivering training in using Share-A-space®.

“Eurostep’s strategy to work actively with Business Partners has proven to be important for us and our customers. Together with our partners we can deliver the optimum mix of competencies in projects. To meet the increased demand from the market for Share-A-space® based solutions we are pleased to announce Mr Söderberg as responsible for the cooperation with the Share-A-space® Business Partners”, says Mr Håkan Kårdén, CEO Eurostep Group.

About Eurostep:

Eurostep delivers software and consulting services for product life-cycle management with a particular focus on the exchange and sharing of data within and between enterprises. Services range from pre-studies to the implementation of systems. The flagship product, Share-A-space®, (www.share-a-space.com), is software that supports collaborative engineering across the life cycle of products. Eurostep has subsidiaries in Sweden, the UK, Finland, France and the US and has blue-chip customers in a variety of industries including automotive, aerospace, defence, telecom, building & construction, and process industries.

Eurostep Group has been an international venture from the start in 1994 and all subsidiaries have access to the leading edge PLM knowledge base in Eurostep group.
